SPOONER ON THE RATE BILL

He Discusses Chiefly Bailey's Amendment

ON POWER OF COURT

He Sees a Grave Danger in the Pro- Dr. E. E. Hale Before House Committee vision-Would Almost Destroy the Bill's Plan for

of books which covered all the vacant and Harvey N. Shepard of Boston, represpace in the vicinity of Mr. Spooner's senting the Appalachian club. desk bore evidence at the beginning of yesterday's session of the Senate of the tem of forest preservation, which he good his promise to reply to Mr. Bail- serving the forests of the White moun-

ey's speech on the railroad rate bill. Mr. Spooner began speaking at 13:30 vary, as the burned over tracts are less valuable than the virgin forests. He thought that there was about 8,000 voting himself largely to Mr. Bailey's acres of virgin timber on the Presidenamendment prohibiting inferior courts tial range.

far greater than even the rate-fixing question itself. He quoted Mr. Balley's declaration that "the power to create involves the power to destroy," and said that when applied to the courts this axiom was full of danger. He defield that, except in limited degree, Congress had power to destroy the courts.

He then entered upon an effort to

He then entered upon an effort to draw the line of distinction between jurisdiction and judicial power, and said has the credit of being the first city in that Mr. Bailey's encessities must have been responsible for his sneers at this rectly for the relief of the sufferers

"Judicial power is an indivisible thing, while jurisdiction may be distributed," he went on, contending that in the constitution the word "jurisdiction" had given by the Weir Stove company of heen used so as to make it apply to the beginning of suits, while the words "indicial power" had been used as applienble to the power of the court over a case once instituted. He therefore contended that judicial power lodges in the United States courts in cases in which those courts have jurisdiction. "It is," he said, coming to a definite definition, "the power to hear, determine and carry into effect the judgment of the court."
